4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Re: Declaration for U.S. Patent application entitled:
"Multi-Axial Positioning System for a Surgically-Implanted Spinal Support"

Dear Mr. Murray:

Enclosed please find a copy of the above referenced U.S. patent application for your review. The U.S. patent law requires that I make this application and Declaration available to you, which is what I am doing by way of this letter, seeking execution by you as a named inventor. Please advise me if you can execute and return this Declaration for filing by no later than **May 31, 2006**. If you are unwilling to review this application and sign the Declaration, please confirm same so I can inform the U.S. Patent Office. If I do not hear from you by **May 31, 2006**, I will presume you are unwilling to review this application and sign the attached Declaration/Power of Attorney, and I will notify the U.S. Patent Office of same.

I hope you will take the opportunity to review this application, but understand if you are unwilling to do so. I look forward to hearing from you one way or the other shortly. If you have any questions, please don't hesitate to contact me.

Very truly yours,

Robert C. Klinger
